

DEPARTMENT PAY PERCENTAGE & PARENT COPAYMENTS

The CDC program is a subsidy program; therefore, the actual amount paid by the Department may not cover all child care expenses.

- The parent is responsible for payment of all amounts not paid by the Department, including if the provider charges a higher rate than the Department's rates.
- The provider is responsible for collecting any child care charges not covered by the Department from the parent.

The Department pays part of the cost of child care for approved families. This part is the [Department Pay Percent](#) (DP %). The DP% can be from 30% to 100% of the Department rate. Provider payment rates will vary based on the parent's DP% as shown in the sections below.

CHILD CARE CENTER RATES

The CDC program pays higher reimbursement rates to licensed child care centers with a 2, 3, 4, or 5 Star rating in Great Start to Quality. Additionally, the DP% will be 100% of the Department's rate for all children attending a 3, 4, or 5 Star licensed center.
